

# A UNIQUE CONCEPT

## In the Gulf of Saint Tropez from 2020

The Camping du Berard is a typical French family campsite created during the 1980's. Well-loved by campers ever since for its family-friendly atmosphere and green spaces, we are determined to preserve the best of the campsite's original spirit, but it is also time for a make-over to bring it into the 21st century... Think glamping, with a touch of luxury in a well-managed natural forest environment.

## A la carte services

Our restaurant is open from June, serving salads, pizzas, daily specials and of course, delicious desserts and ice creams.

Our welcoming bar is perfect for sipping a cocktail or enjoying an ice-cream, and is also open from the Easter holidays.

Our bread and pastries are baked on site, and our sandwiches and paninis are prepared using our own bread.

Our grocery store will also be opening for the Easter holidays. Opening times are displayed at the reception.

From 2020, children from 4 to 12 years can enjoy our kids club. Activities for teenagers will be provided by our sports coach.

Washing machines are also available for your use (paid service).

Our swimming pools will be open as of June: a heated pool, which will be covered in 2021, a leisure pool with its beach and paddling areas for our youngest guests.

From 2021, you will also be able to enjoy our fitness and weights room.
